

MATTHEW MCCLUSTER

Infrastructure Engineer · Platform Builder · Creative Director & Founder

matthew@mccluster.org · Connecticut & Georgia, United States · matthew.mccluster.org

Matthew McCluster is an infrastructure engineer, platform builder and creative director working across **Connecticut** and **Georgia**. He spent five years in enterprise IT and infrastructure — data-center buildout, Cisco networking, Windows and Linux server estates, and endpoint support at **IPC Systems** and **Robert Half** — and now designs and operates the platform behind **McCluster Corp**: Postgres schema and row-level security, serverless APIs, payments, and an automated release gate. He founded its civic fellowship **Equity Uprise**, work recognized in 2025 by the **State of Georgia** and the **City of Bridgeport** with official proclamations, and owns **Whip Equipped LLC**, a parts-licensed automotive venture he organized in Acworth, Georgia in 2024. He is also a photographer, web designer and songwriter, recording under the **Here / PRIM3** catalogue, and the architect of the **Street Credit Bureau** reputation platform.

AT A GLANCE

Full name: Matthew Christian Perry McCluster

Based: Connecticut & Georgia, United States

Studying: Computer science at Southern Connecticut State University (first year)

Roles: Creative director · photographer · web designer · songwriter · platform operator

Founder of: McCluster Corp & the Equity Uprise civic fellowship

Owner-operator of: Whip Equipped LLC (Acworth, GA) — through September 2026

Recognized by: the Connecticut General Assembly (2025 citation), the State of Georgia & the City of Bridgeport (2025 proclamations)

RECOGNITION

Connecticut General Assembly Official Citation: October 5, 2025, State Capitol, Hartford, signed by the President Pro Tempore of the Senate, the Speaker of the House and the Secretary of the State. [Document \(PDF\)](#)

Georgia Governor's Proclamation: Georgia Youth Innovation & Civic Leadership Week, December 12–18, 2025, signed October 27, 2025 by Gov. Brian P. Kemp. [Document \(PDF\)](#)

City of Bridgeport Proclamation: Equity Uprise Human Rights Day, December 10, 2025, issued by Mayor Joseph P. Ganim. [Document \(PDF\)](#)

Connecticut Public Charity Registration: McCluster Corp, CHR.0069693, October 28, 2025. [Document \(PDF\)](#)

VENTURES & WORK

McCluster Corp is Matthew's creative and civic company, the home of the Equity Uprise fellowship, the Here / PRIM3 music catalogue, and the Street Credit Bureau. **Equity Uprise** is its civic-fellowship program, recognized by the State of Georgia and the City of Bridgeport. **Whip Equipped LLC** is his parts-licensed automotive venture in Acworth, Georgia, now the basis of a mini web series in production. As a songwriter and producer he records under the **Here / PRIM3** catalogue (ISRC prefix QT6KV), and as a builder he designed and operates the **Street Credit Bureau**, a reputation platform published in the open.

CAREER & MILESTONES

2025 TO PRESENT

Founder / Digital Program Operator

McCluster Corp · Equity Uprise · Connecticut & Georgia

- Designed and operates the organization's platform end to end: Postgres schema and row-level security, serverless API functions, payments, and an automated release gate that blocks a bad deploy.
- Built and maintains the public web properties, the civic fellowship directory, and the data behind them.
- Runs digital identity, content, campaign messaging and audience-engagement workflows for a nonprofit cultural and community-development initiative.
- Organizes program information, digital assets, contact records and outreach materials.

2024 TO SEPTEMBER 2026

Owner-Operator

Whip Equipped LLC · Acworth, Georgia

- Founded and organized a parts-licensed automotive dealership; runs sourcing, sales, licensing and compliance.
- Operating through September 2026, when the parts licence term ends.

2021 TO 2023

Infrastructure Engineer

IPC Systems · Fairfield, Connecticut

- Data-center transformation of a 5,000 sq ft facility: rack buildout (Ortronics 45U, APC NetShelter 42U), CAT6 and multi/single-mode fiber, PDUs and environmental monitoring.
- Cisco Nexus 9000/4500 networking and DHCPscope configuration.
- Dell, Oracle and Sun server installs across Windows Server, RedHat and CentOS, with PERC RAID configuration.
- Supported IPC trading turrets (Touch, Pulse, IQMax, Edge) under trading-floor uptime pressure.
- DoD-standard data destruction (dBAN) and ISO-standard e-waste handling; instructed new team members.
- Troubleshoot access, connectivity, platform and system issues for business, technical and operations teams.

2021 TO 2026

Digital Marketing & Outreach Platform Manager

F.R.E.E.D.O.M. Inc. · Bridgeport, Connecticut

- Managed the digital platforms used for outreach, communication and public engagement across Facebook, Instagram, YouTube and LinkedIn.
- Coordinated live streaming, recording and media production for weekly public programming.
- Supported staff with platform access, posting, technical issues and digital workflow needs.
- Moved traditional outreach and communication processes onto modern digital systems.

2018 TO 2021

Desktop / IT Support Technician

Robert Half · Norwalk, Connecticut

- Customer-facing support for hardware, software, desktop, laptop and business-application issues.
- Resolved login, platform-access, device and connectivity problems; communicated clearly with non-technical users.
- Supported technology rollouts, system setup, workstation builds and user training.

TECHNICAL

Infrastructure: Data-center buildout, racking and cabling (CAT6, multi/single-mode fiber), PDUs, environmental monitoring, structured decommissioning (dBAN, ISO e-waste)

Networking: Cisco Nexus 9000/4500, DHCP scope configuration, connectivity troubleshooting

Systems: Windows Server, RedHat, CentOS; Dell, Oracle and Sun hardware; PERC RAID

Platform & data: PostgreSQL schema design, row-level security, serverless API functions, REST integration, payments (Stripe), automated test gates and CI

Web: HTML, CSS, JavaScript, structured data and schema.org, performance and accessibility, static and edge deployment

Support: Endpoint and application support, rollouts, workstation builds, documentation, user training

EDUCATION

Southern Connecticut State University, New Haven, Connecticut: computer science major, first-year undergraduate (in progress).

CREDENTIALS

CompTIA ITF+ Certification: December 1, 2022 (Candidate ID COMP001021413027).

IT Bootcamp Certificate: CT State Community College (Housatonic), September 20, 2023.

Certified Nursing Assistant (CNA): New Haven Job Corps Center, June 20, 2014.
