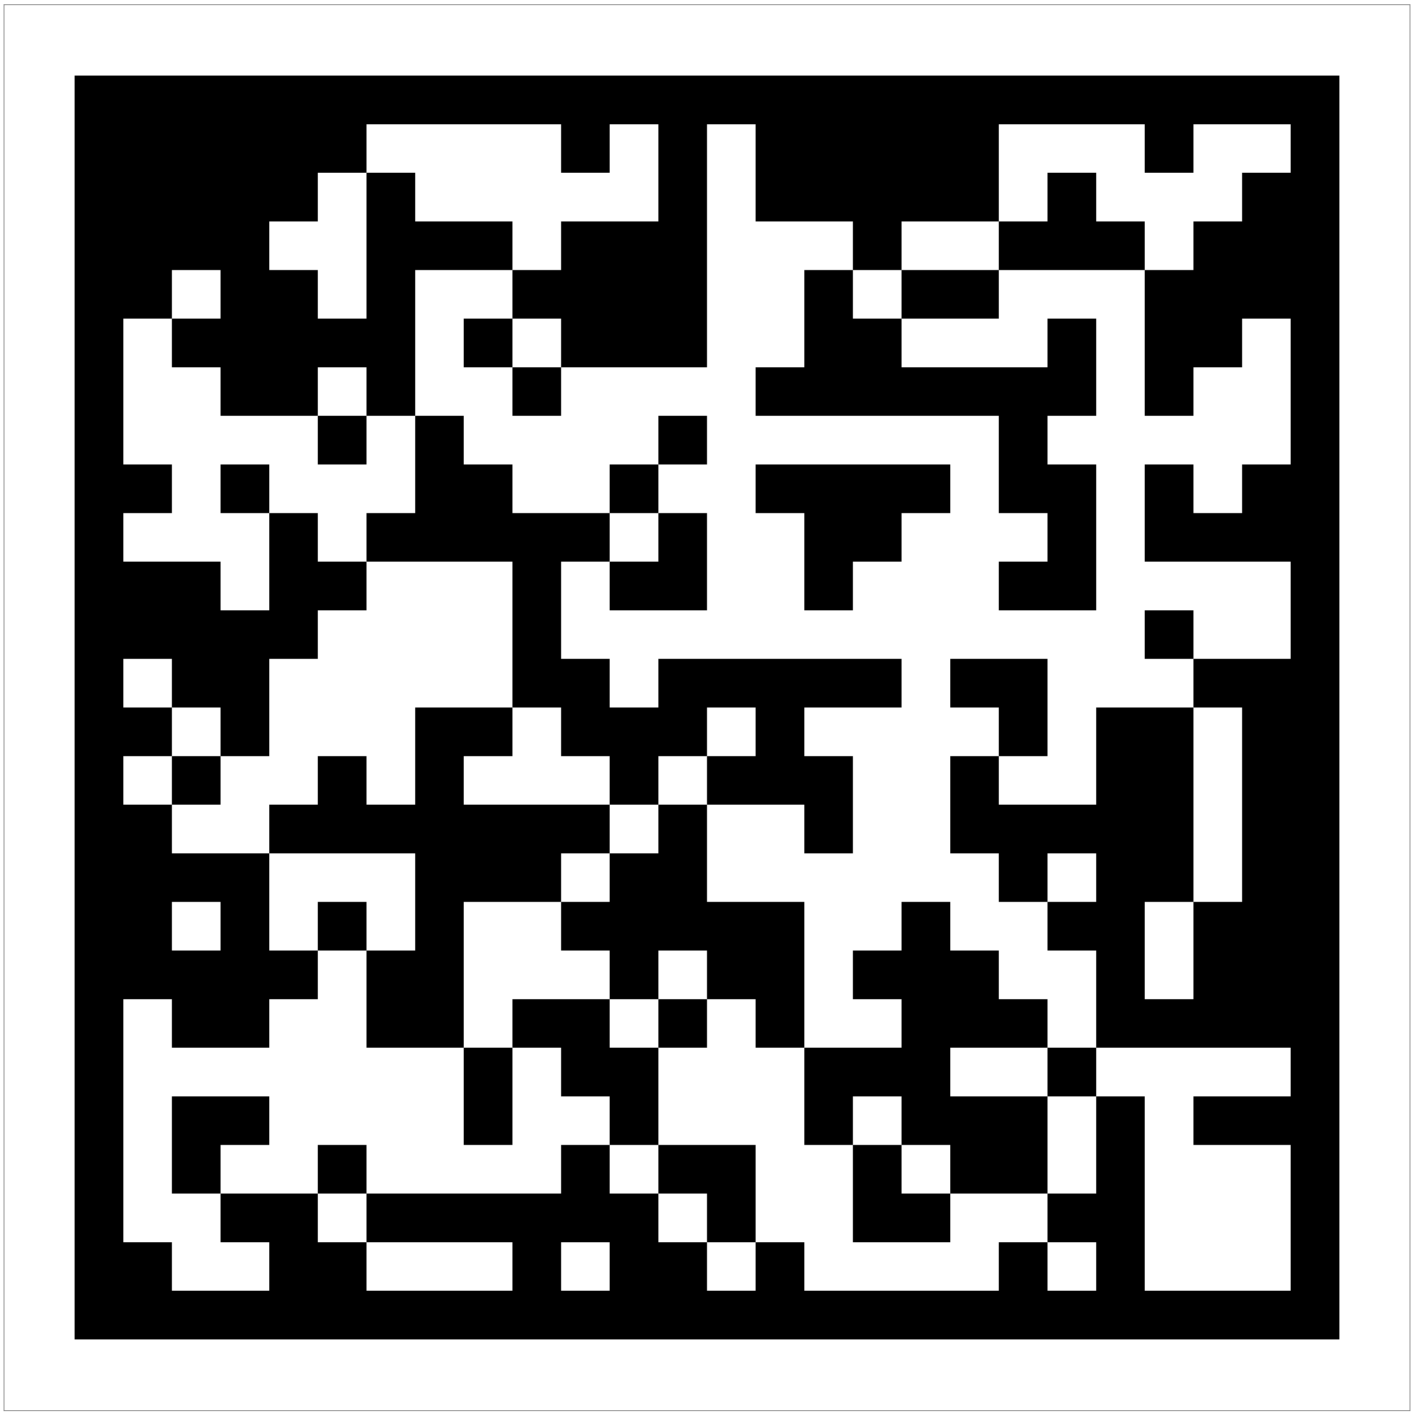
McCluster AR - Phase A test marker 01

Print at 100% (Actual size). The black-and-white square, white border included, must measure 180 mm.

Tape it flat to the wall you control, top edge up, then measure the facade points listed in ar/README.md.

TOP EDGE UP



this bar must measure 100 mm

A tracking pattern, not a logo or brand mark. Generated by tools/ar/generate-marker.mjs.
